WORK EXPERIENCE

WEB DEVELOPER | 01/2022 - Current

Affiliate School of Professional Studies

- Collaborated with project managers to set goals and scope projects.
- Designed wireframes and prototypes based on goals and needs of the organization.
- Brought mock-ups to life with HTML, CSS and JavaScript.
- Established hosting for each website and completed go-live process by uploading sites to host account.
- Monitored website performance to quickly rectify front-end-related issues.

TECHNICAL WRITER | 02/2022 - Current

CotentLab.io

- Works with a team of software professional, content strategist, and editors to create high quality content (tutorials, blog posts and thought pieces) for clients (usually SaaS brands) tailored to connect them to their audience.

FRONTEND DEVELOPER | 10/2020 - 12/2021

Freelance

- Designed wireframes and prototypes based on goals and needs of clients.
 - Brought mock-ups to life with HTML, CSS and JavaScript.
 - Applied jQuery scripts for basic animation and end-user screen customization purposes.
 - Created more than 10 successful websites that met requirements of clients such as load speed and design.
-

EDUCATION

University of Ghana - Bachelor of Science

Occupational Therapy, Science, 09/2018
